Revised- 06/01/10

KMRCL/ TW

1. The General Consultant (GC) to the Kolkata Metro Rail Corporation Limited (KMRCL), on behalf of the Managing Director , Kolkata Metro Rail Corporation Ltd (KMRCL) , seeks to prequalify contractors for the following contract under the project : 'East West Metro Rail Project, Kolkata'.
2. Contract Package TW - "Design, construction, manufacturing, supply, installation, testing, commissioning of track work and installation of Third rail (Salt Lake Sector -V – Howrah Maidan including within Central Park Depot for East-West Metro Rail Project , Kolkata."
3. The route length of the double line standard (1435 mm) gauge alignment will be about 14.5 km out of which about 8.9 km will be underground and about 5.6 km elevated. The track leading to the Central Park Depot (about 1.3 km in length) is included in the scope of this work. The track within the Depot is also included in the scope of this work. Depot track will comprise of about 4.6 TKM of ballasted plain track, 4.2 TKM of ballastless track in Shops and 31 sets of ballasted switches and crossings. The system of traction power supply will be 750 volts DC third rail and the rolling stock will comprise of train sets of 6 car each with an axle load of approx. 16 T.
4. Indian and International companies, either individually or as a joint venture/consortium, interested in appointment through International Competitive Bidding (ICB) can apply for the above work.
5. The Pre Qualification document containing scope of work, eligibility criteria and application forms etc., may be obtained from the office of the General Consultant (GC) to KMRCL, 4th Floor, HRBC Bhawan, Munshi Premchand Sarani, Kolkata-21, INDIA. The Pre-Qualification Documents will be available on payment of a non-refundable fee of Rs 25,000 (US\$ 500) in the form of a crossed demand draft from a Scheduled Commercial Bank in India in favour of Kolkata Metro Rail Corporation Limited, payable at Kolkata, on all working days between 11.00hrs and 17.00hrs (IST) from 11.01.10 to 18.01.10. The application should be submitted in 2 (two) copies (1 marked original and 1 marked copy) at the address given below.
6. **The Applicant/JV/Consortium shall meet the following minimum criteria:**
 - (a) Minimum average annual turnover of the Applicant during the last 5 yrs up to 31.03.09 should be Rs. 50 crore. (US \$ 10 Million)
 - and**
 - (b) During the last 10 years ending on 31.03.09, the Applicant should have executed and completed one or two individual works of construction of ballastless track of similar nature and complexity* to the contract (with or without installation of Third rail) for which the Applicant wishes to qualify, in metro rail system (in Broad

/Metre /Standard gauge) , totalling at least 20 Track km in length. In addition, during the last 10 years ending on 31.03.09, the Applicant, either by themselves or through a named sub-contractor, should have executed and completed one or two individual works of construction of ballasted track (with or without installation of Third rail) in Metro system/ Railway (in Broad / Metre / Standard gauge), totalling at least 10 Track Km of line track and at least 10 sets of switches and crossings.

(Note- * Regarding nature and complexity of the work please refer Appendix -1 – Project Information).
